Sumire?

Is everything alright!?

Yumiko Shimizu

(Sumire's Elder Sister)

Alright?

Do I...

...look alright!?

S-Sumire...?

What's going on?
She never acted this way before.

Where's Grandfather?

Take me to him.

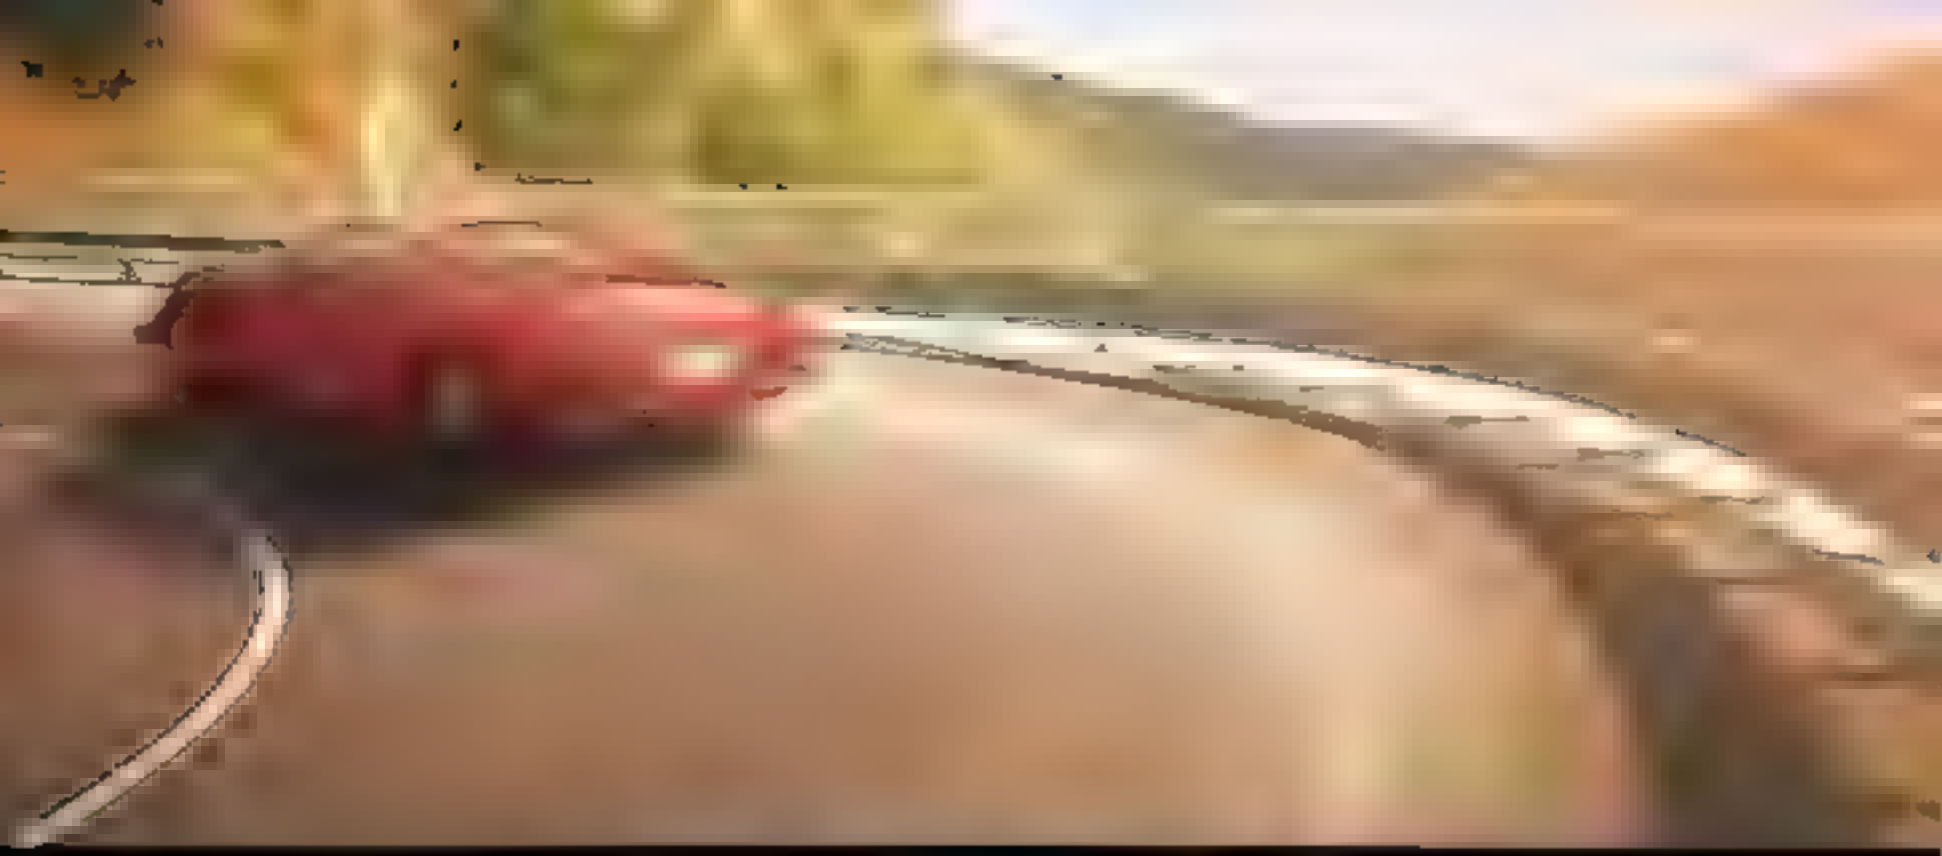
I-I'm sorry but Grandfather is not around..

Sumire,
Did something
happen?
Please calm do-..

I SAID TAKE ME TO HIM!!!

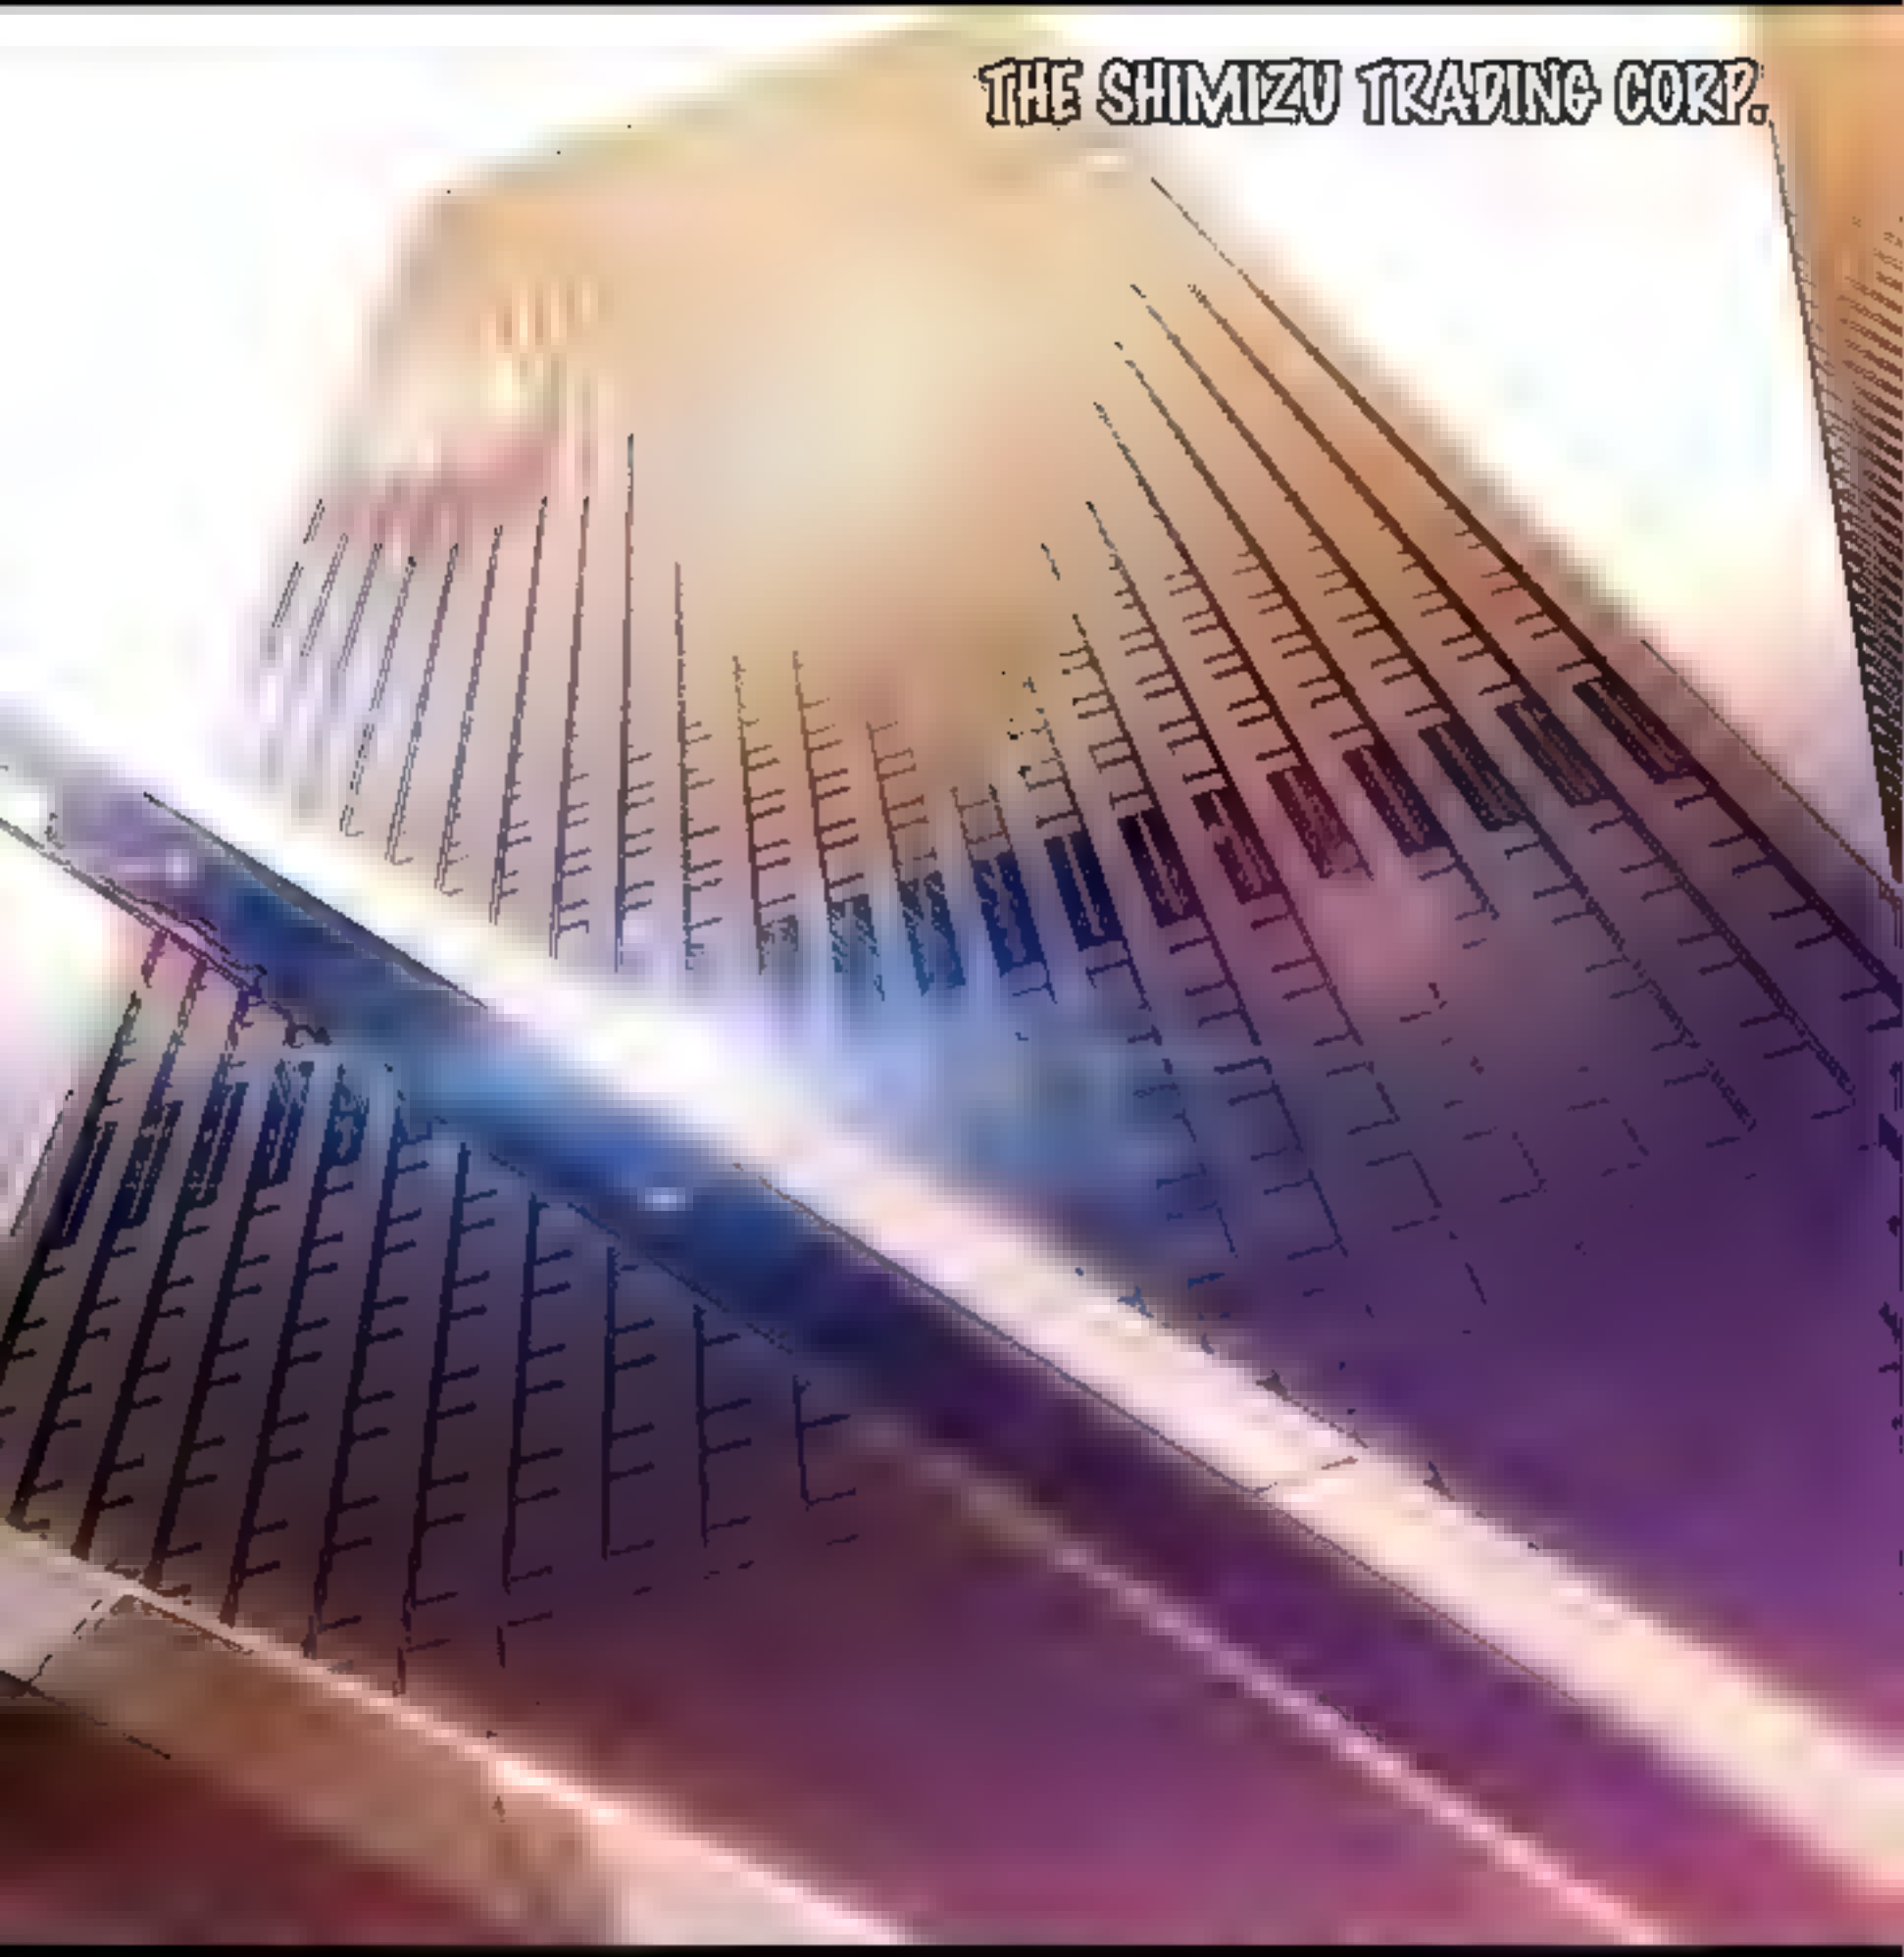
O-okay..

I will call your bodyguards.



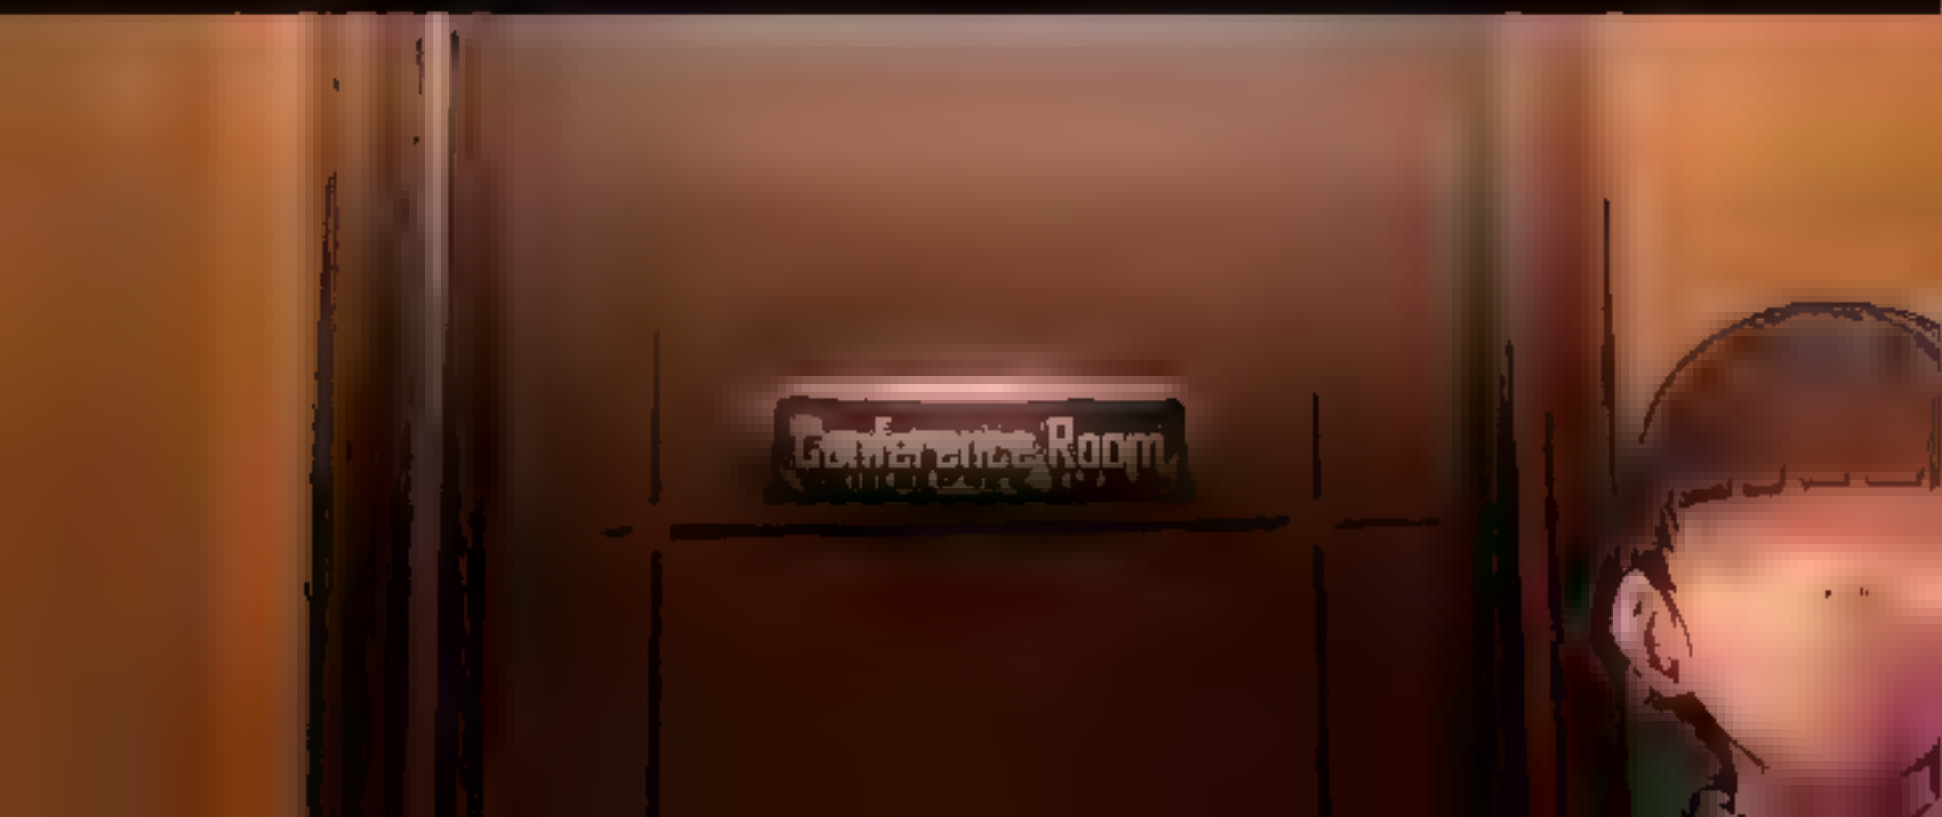
TOKYO, JP

2:25 P.M.



The Shimizu Trading Corp. is the biggest asset of the Shimizu Clan situated in the capital of Japan. There was a time when the company faced a crucial problem. The Corporation was in the verge of bankruptcy after the partnership of the Koizumi and Shimizu's fell.

The dark secrets behind the great success of the Shimizu's was revealed.



Conference Room

I warned you Father!! Those Koizumi bastards can't be trusted!
He filed a case against us.
What should we do, Father?

If we silence him now, automatically we'll become the prime suspects. That's out of the question.

No.
For now we should
lay low and
stay hidden.

Don't worry.

I will take care of the media.

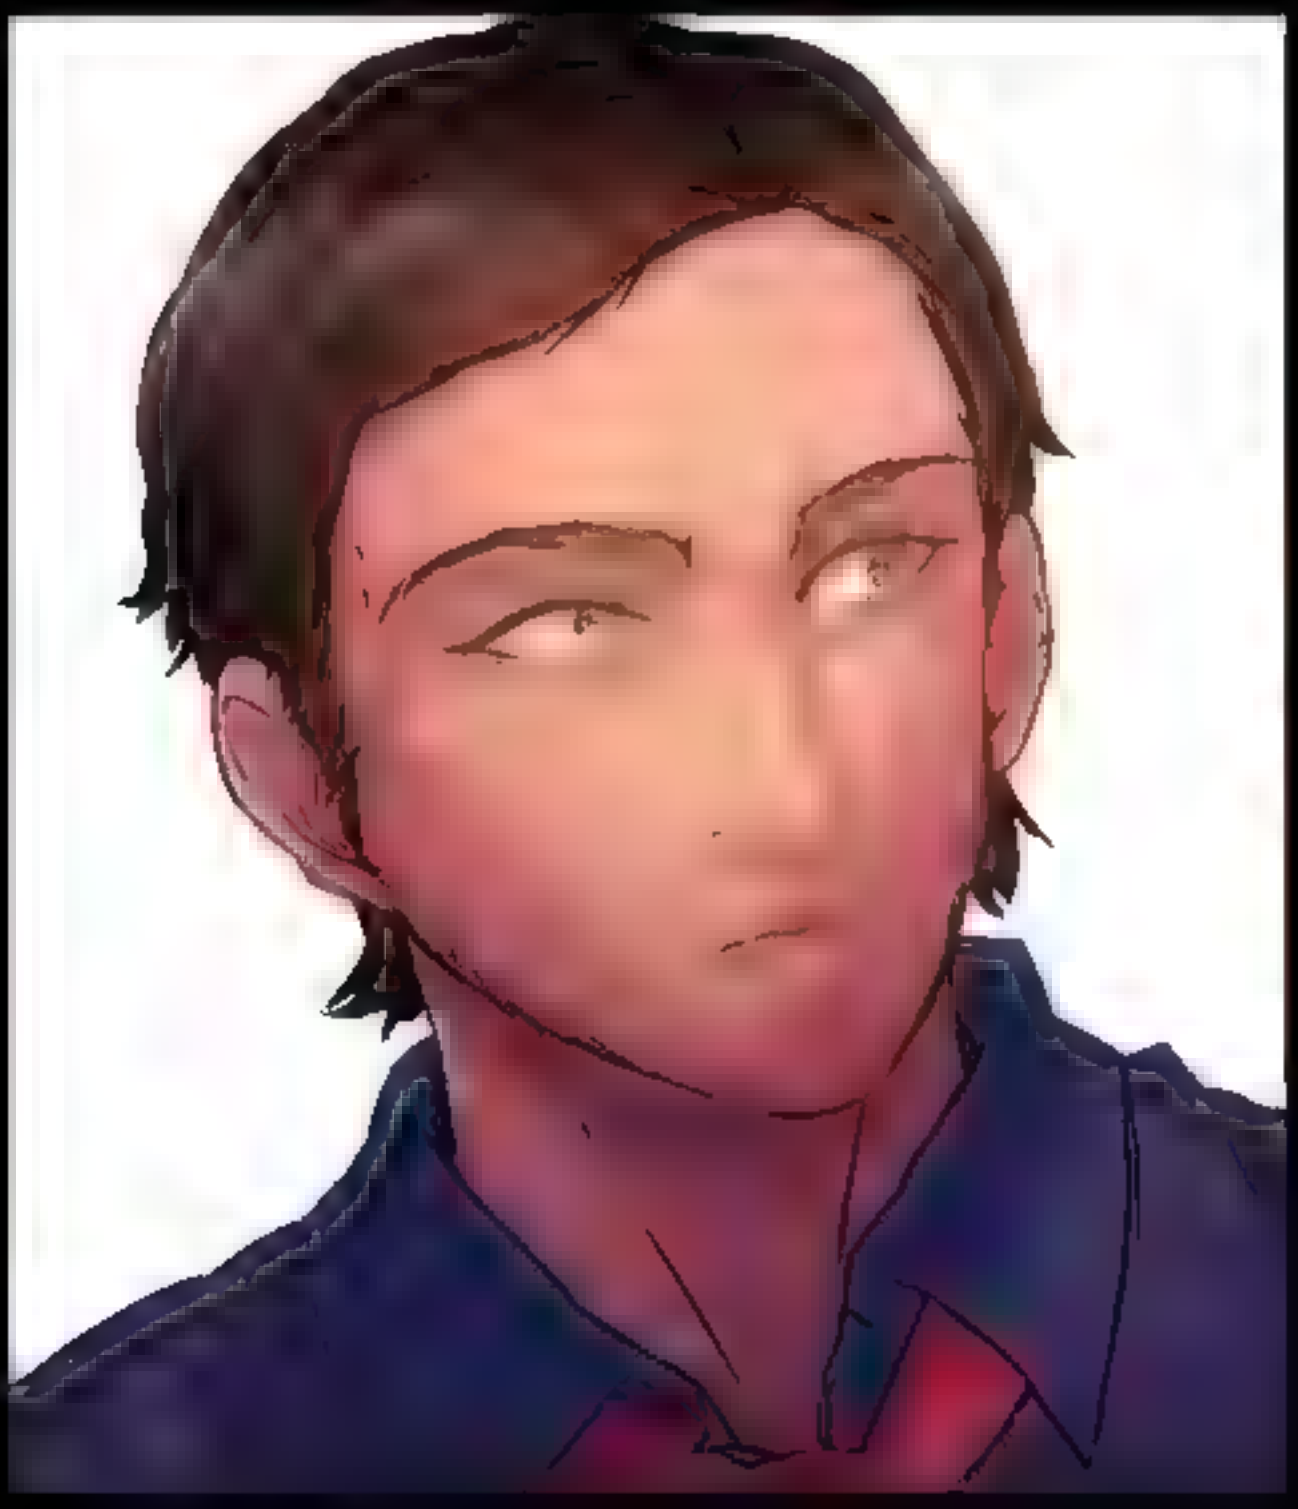
We can't sit still while that bastard spread rumors about us. Both the organization and company are on the line!

We must eliminate him as soon as possible!!

Calm down, Mao

Kenzou is right.
For now.. we must stay hidden. We will fix this.

Founders of the Kuroi-Mizu-Kai (YAKUZA)



Kenzou Shimizu

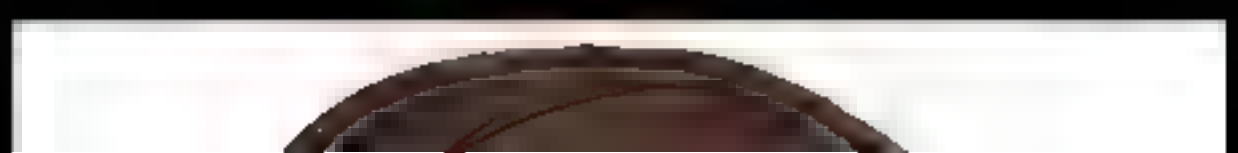
(Sumire's Father)

Second child of the
Shimizu Family.

The core
of the newly formed Yakuza
named Kuroi-Mizu-Kai.

Kenzou, at the same time,
is a politician and
protects the clan
from the government.

Paris Lee
Yago-Shimizu

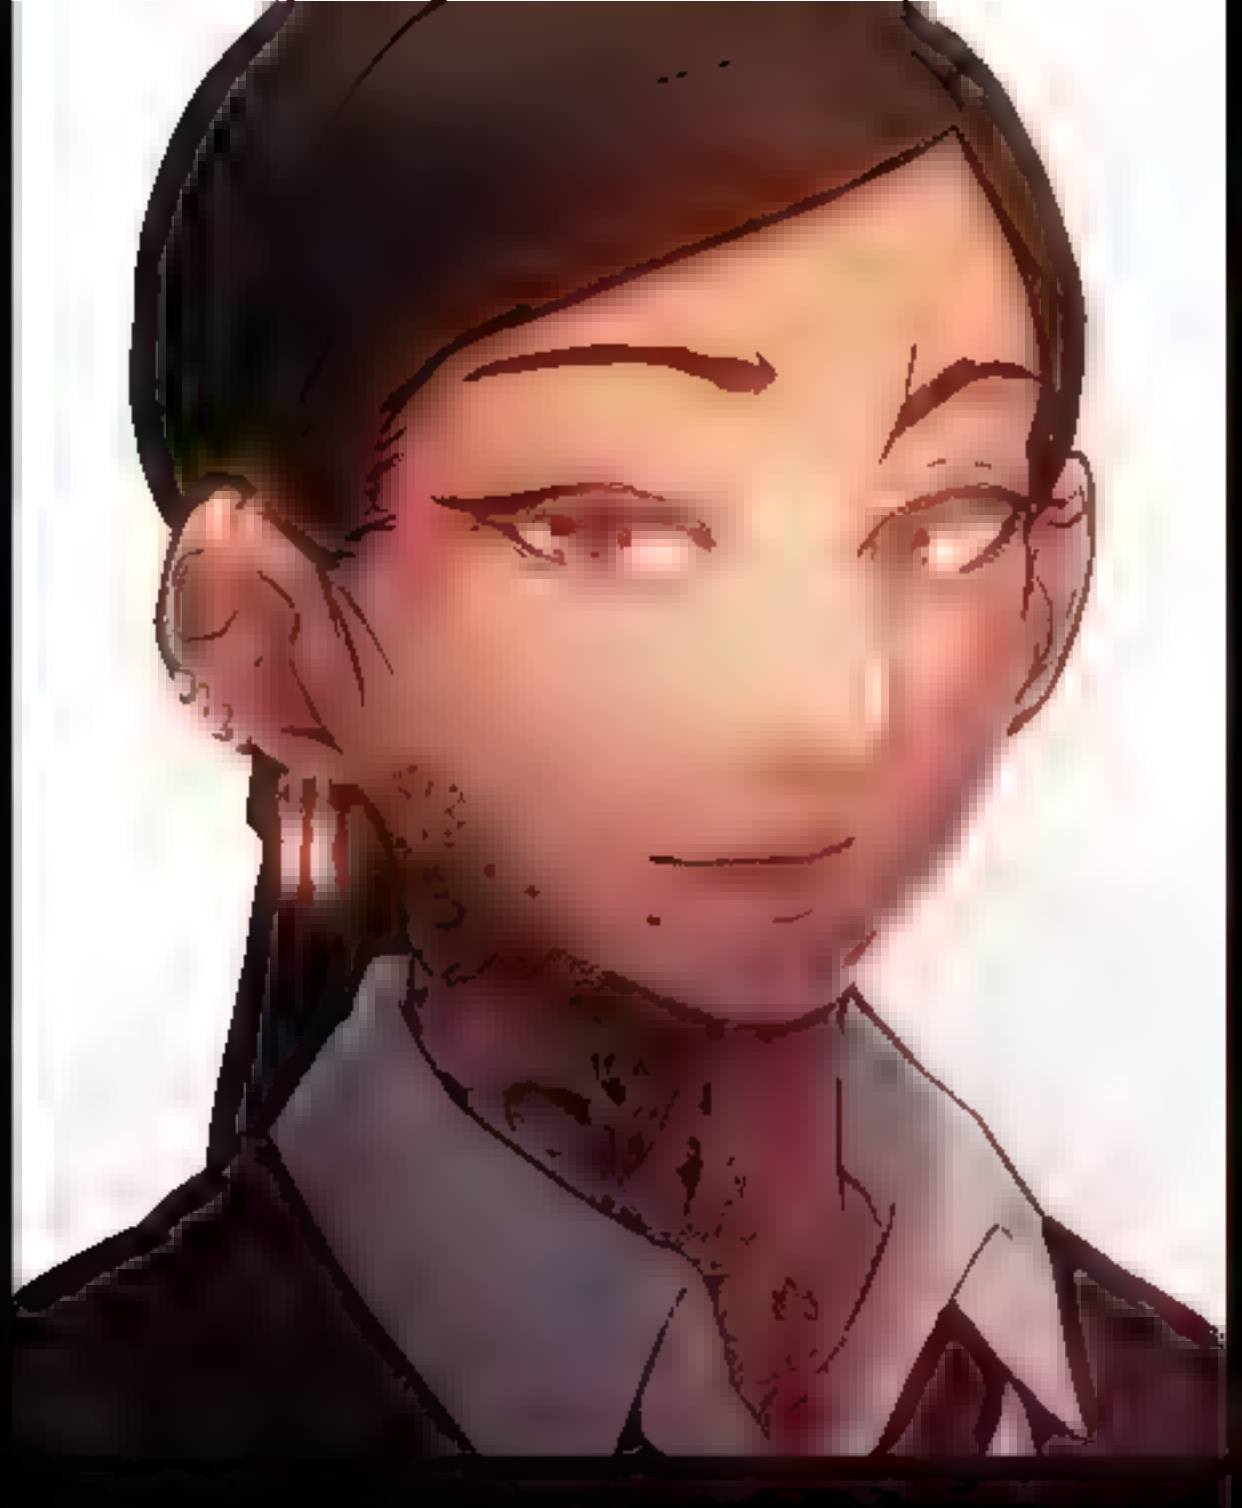


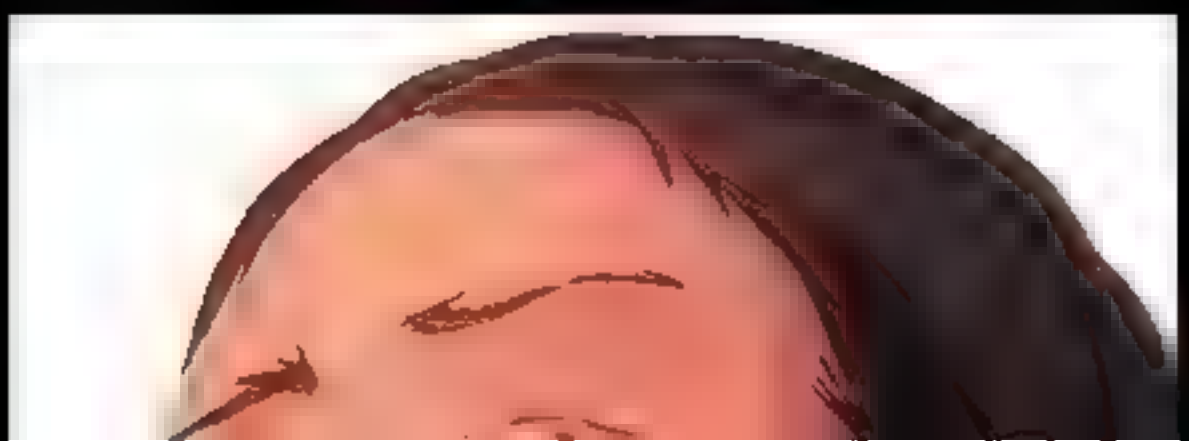
Yong Shimizu

(Sumire's Mother)

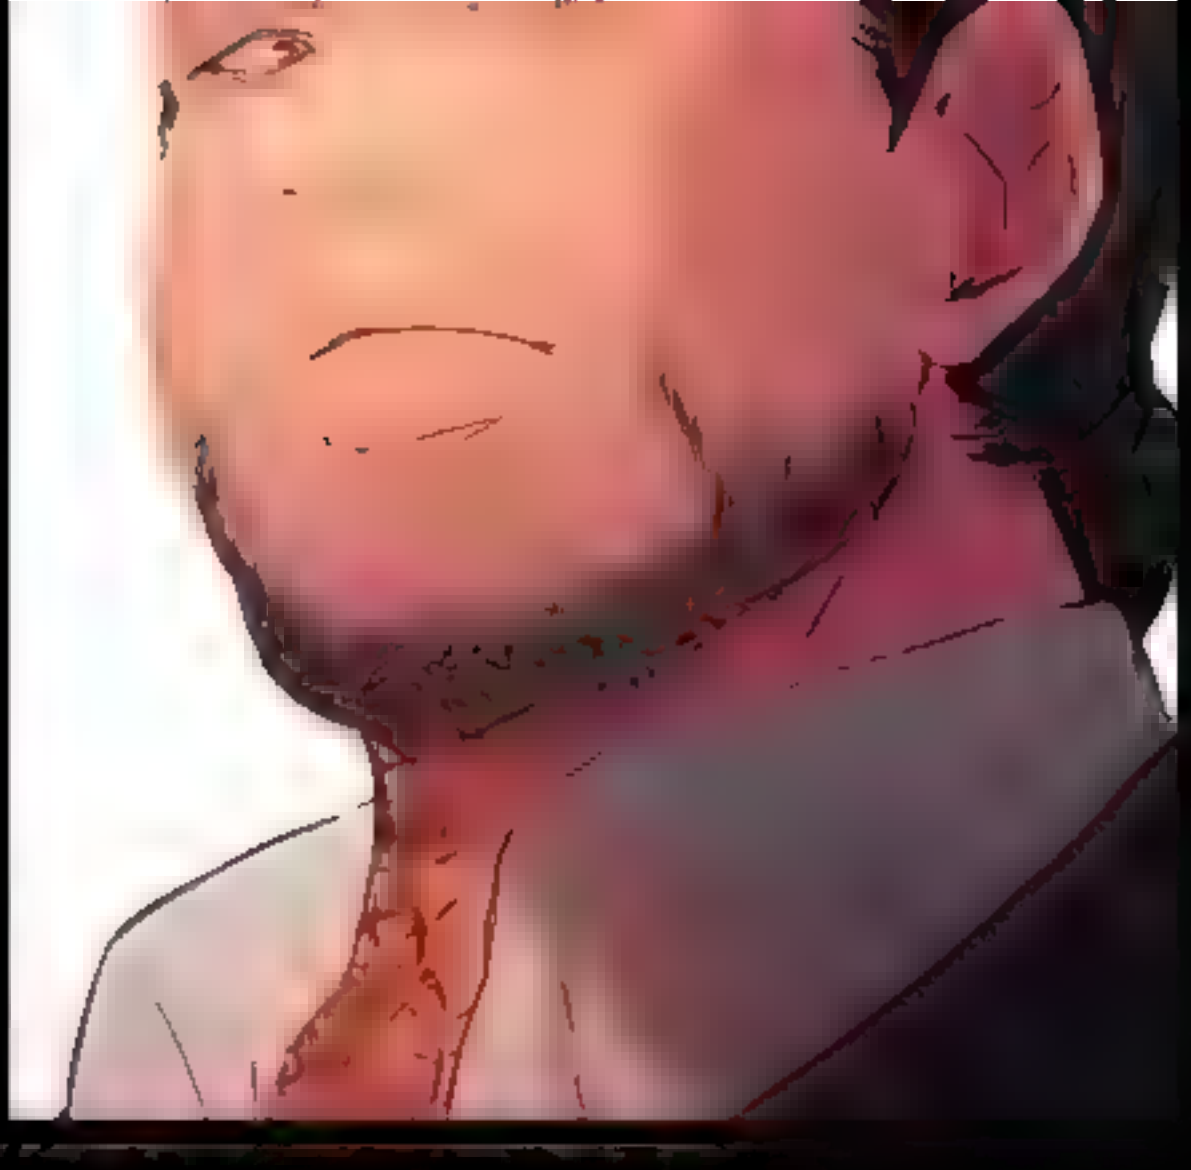
She was once a member of Luen Group, one of the Chinese Triads, an organized syndicate in China.

She now follows Kenzou, as her legal husband and the will of the Shimizu Clan.





Mao Shimizu



Eldest child of
the Shimizu Family.

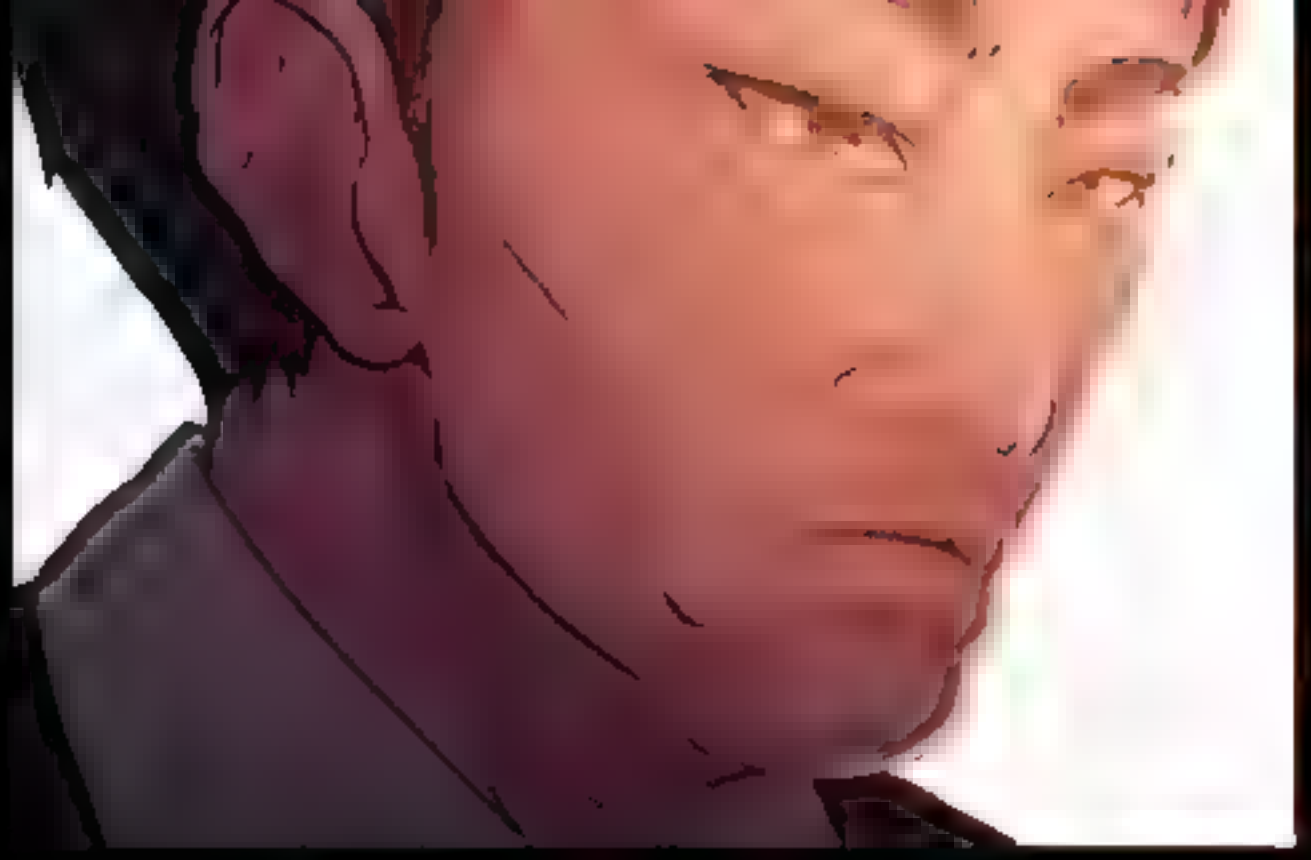
He hates women
for some reason.
Ayane and him
are the exact opposite
poles when it comes
to ideals.

Zenjirou Shimizu

Owner of the
Shimizu Trading Corp.
and one of the founders

of Kai of Miza Kai.

He covers the Yakuza's illegal movements through his company business.



At that time, the Shimizu's were the biggest Drug Lords in Japan.

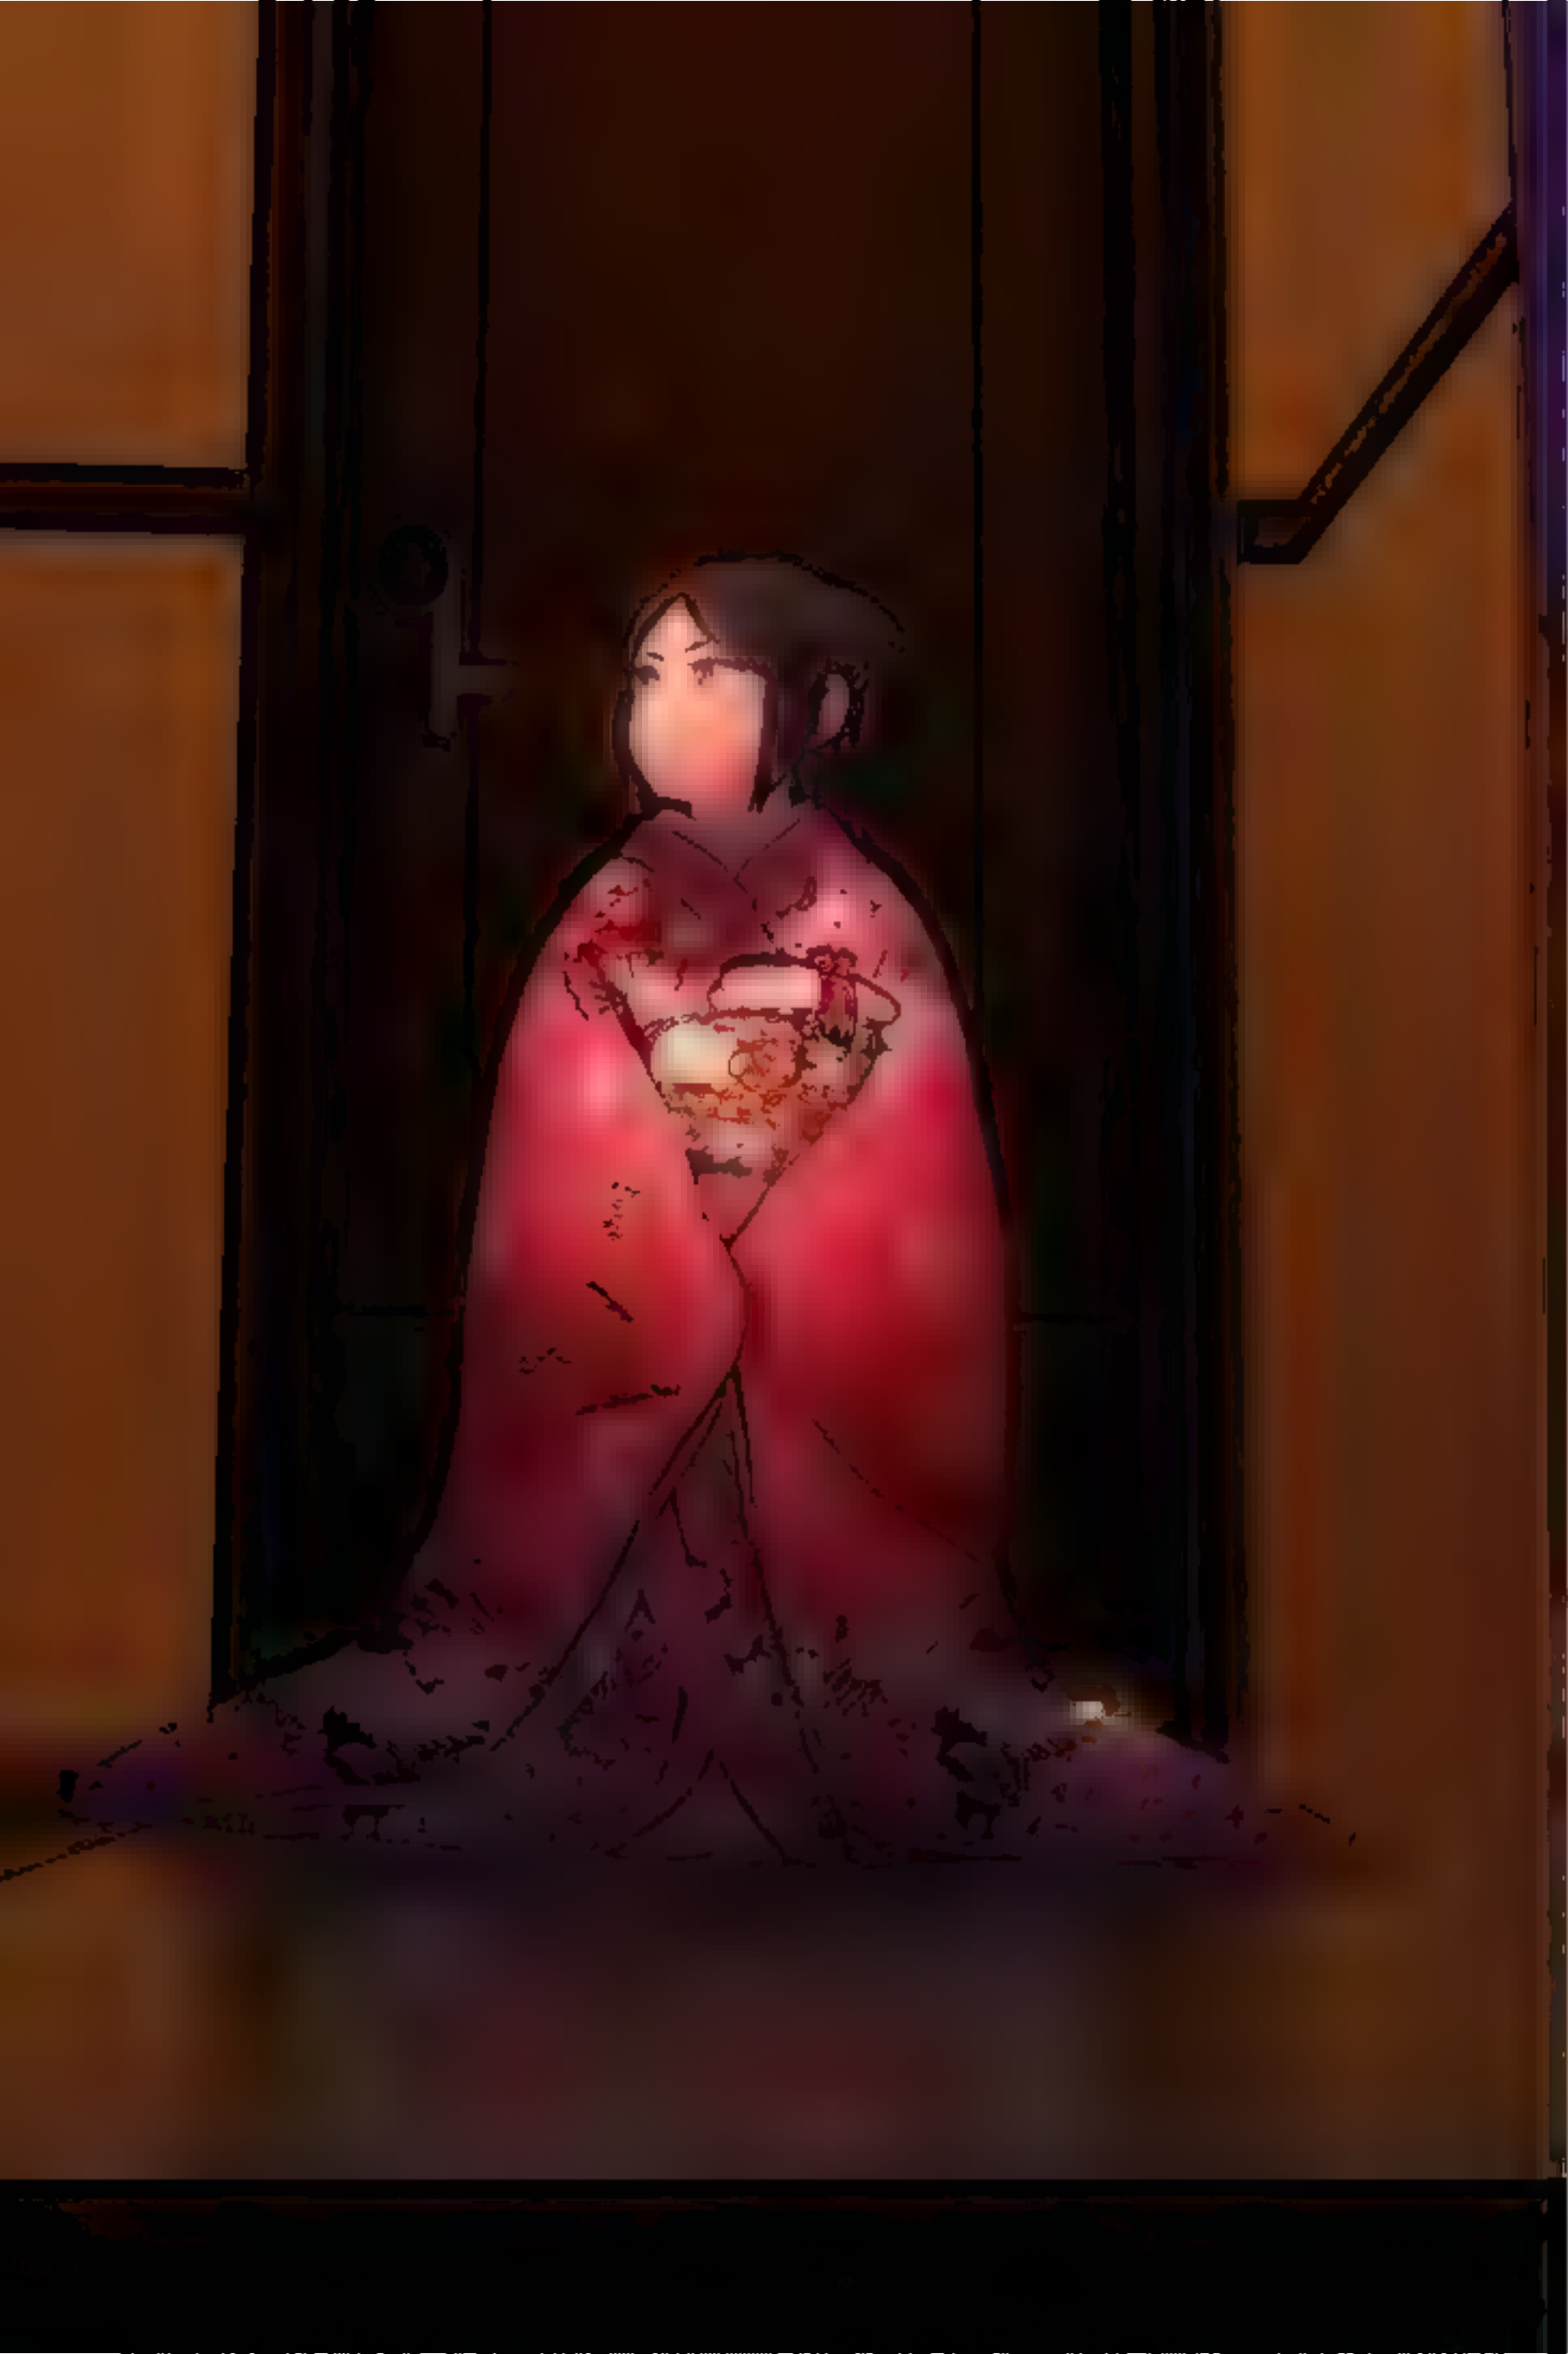
Is that it?

We will sit still and do nothing.
That is the best option we got for now, brother.

Curse you..

...Koizumi, Toru!

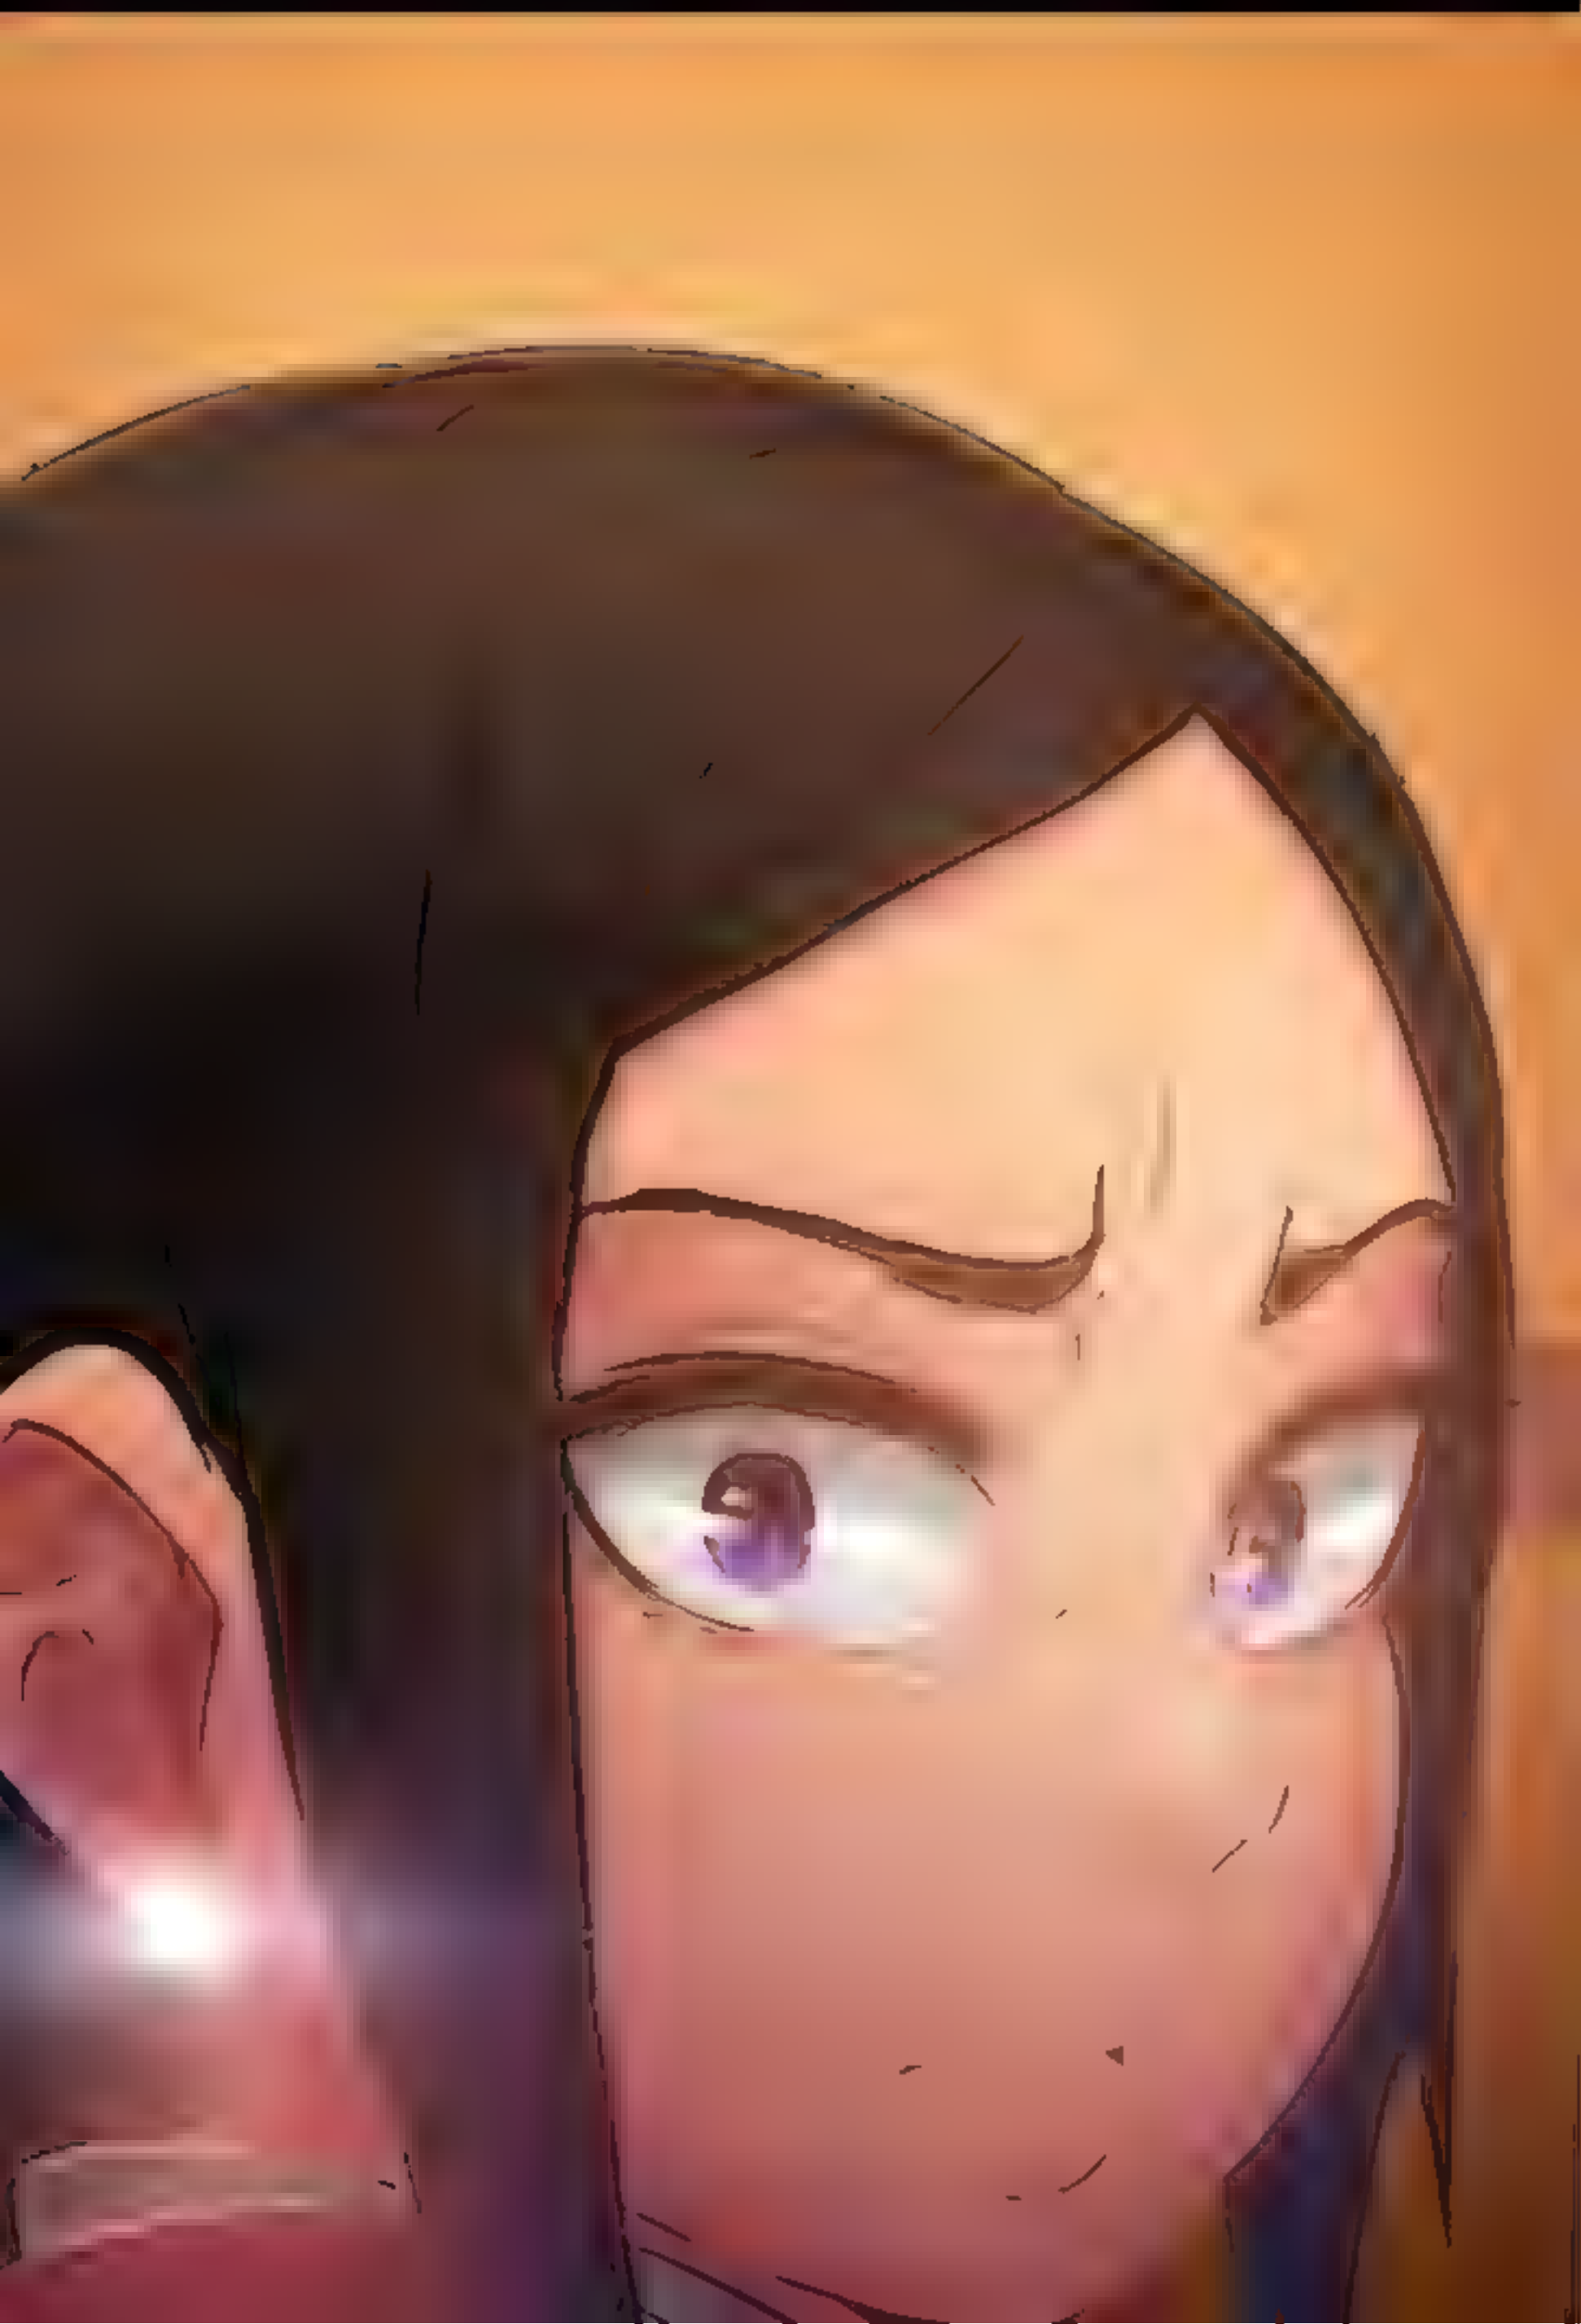
beep
beep



Sumire?

Sumire.
We are busy.
Whatever you need,
save it for later.
Okay?

"N-O!"



Enough Sumire! You are being disrespectful!
Get out.

Oh by the way, Father.
I heard you have disputes
against the Koizumi's.

I want to share my ideas
to Grandfather first.

Hon,
can we trust her?

No mother wouldn't trust her child.

This is her stepping stone to become a good leader one day.

I am counting on you, Sumire.

Perhaps we can. After all, she's the smartest one amongst us here.

Now you make me feel dumb.

So?
What is this idea of yours?

For starters, I want you to eliminate one of them.

What?

I can trigger
Mr. Koizumi's madness
with this.

We don't need to
lay our hands on him.
Instead, we will force him to
"self-desrtruct"

NATHAN!?

He had a relationship with-..!!
That BASTARD!

With the loss of his wife, I will make him kill his son and then he will commit suicide.

You handle
Mr. Koizumi's wife
and I will do the rest,
Grandfather.

I will make
him do the dirty job.
I am certain
he will.

Once he finds out

that the child he thought was his...

..is actually..
